## SOLO MANGAKA: ROUND 1

- Draw 3 Theme Cards. These 3 Themes are your Obsessions, the basic subject matter of your comic.
- Start with a 2-Panel Comic Page (like this one). Using a stopwatch or phone timer, give yourself 5 minutes to draw a 2-Panel comic. When time's up, you must stop immediately!

## SCORING & GETTING FAME

- When time's up, evaluate yourself (or have a friend evaluate you). For each of the following rules you broke, write an "X" next to your pen name:
  - \* Didn't include all Obsessions = 1 X
  - \* Didn't draw something in each panel = 1 X
  - \* Used more than 3 Word Balloons = 1 X
- Give yourself 8 Fame ☆.
- Take a Comic Page with 2 more Panels than the last (i.e. if you just drew a 2-Panel comic, take a 4-Panel).
- Draw 2 new Theme Cards and add them to your Obsessions. Then, discard 1 Obsession of your choice. You should end up with 1 more Obsession than before.

## ROUNDS 2+

- Each round, you should have 2 more Panels and 1 more Obsession than the round before.
- Each round, draw for 5 minutes, then give yourself 8 ☆ and evaluate yourself as in Round 1.
- Xs, like Fame, accumulate between rounds. If you ever end up with 3 or more Xs (over the entire game, not in a single round) the game ends. At that point, stop and don't give yourself Fame ☆ for the current round. The game is over!
- If your Solo Game lasts 5 rounds or more, you'll need to draw 10, 12 or even more Panels in 5 minutes. In this case, use 2 or more Pages whose total Panels equal the amount you need. (For example, 2 Panels + 8 Panels = 10 Panels.) Good luck!
