

Load up on that seal poo! That stuff's worth a fortune!

This is great! I'll buy a new fishing boat, a fast one, like Taia Cruz in that video!

HALT, I am the Wizard and scientist of the island! The punishment for hurting my seals is a heavy one you greedy pig!

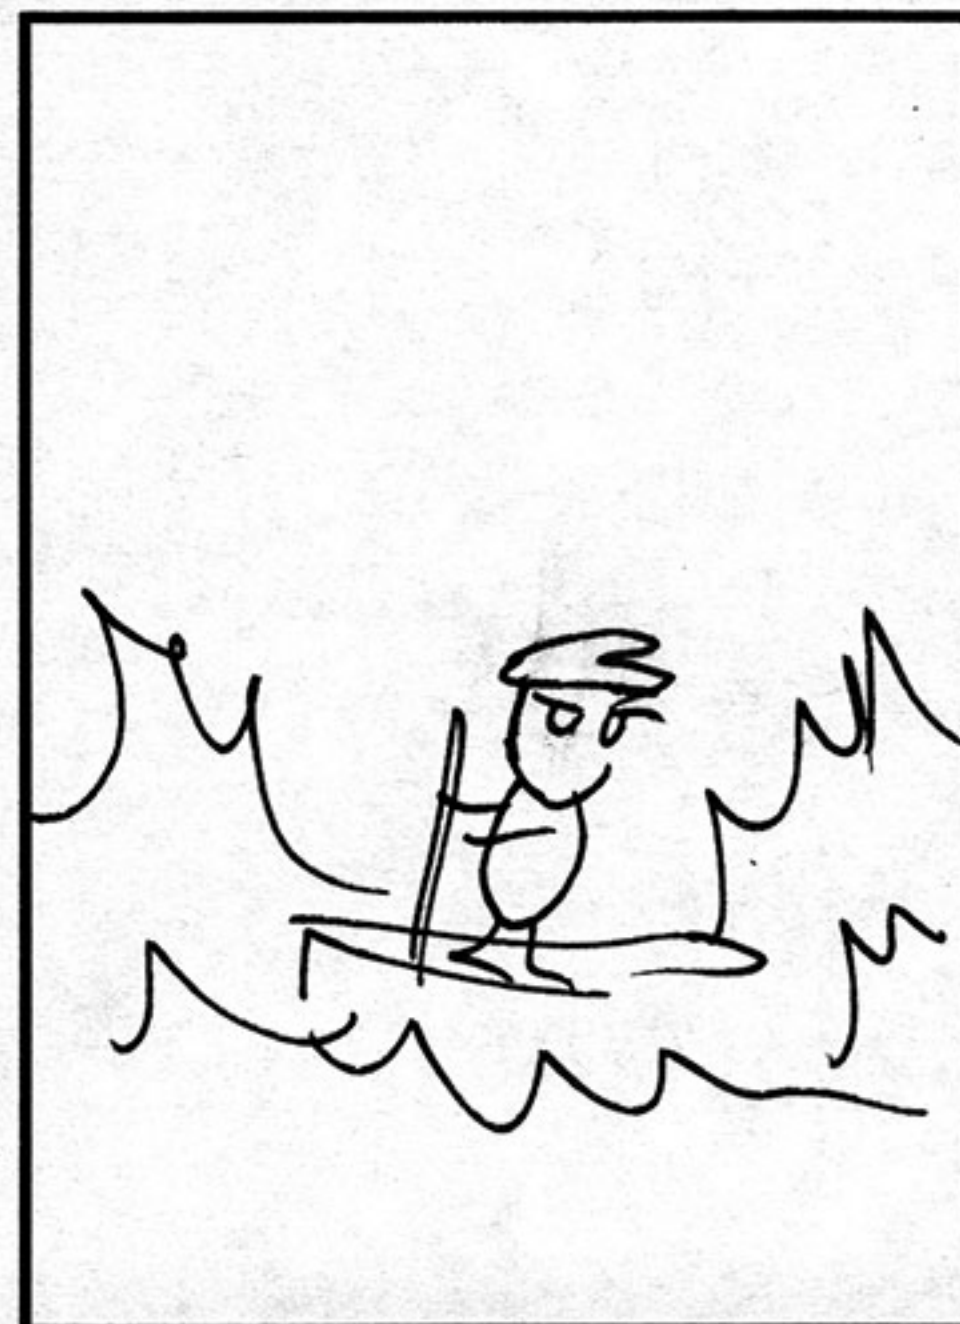

I've never liked that mad scientist wizard! I'll turn you back to a human! I don't even have to get off the John

Finally I'm here! At last I can get back to getting justice on that wizard and making a fortune from that guano mine!
